Itinerary Changes

Atlantis and Virgin have carefully planned this itinerary to maximize the enjoyment of all our ports and the ship. Although we do our best to adhere to published ports and times, unforeseen weather and/or sea conditions may force us to alter the itinerary during your cruise.

According to your Passenger Cruise Contract, neither Atlantis nor Virgin shall be held liable for any damages resulting from any itinerary change.

Get Ready!

Review Your Boarding Documentation

A passport is required to travel on this cruise and must be valid through January 24th, 2027. You must have your physical passport with you. No other form of identification is acceptable for travel, and if you do not have a valid passport you will not be allowed to sail.

Sailors from the USA and Canada do not need a visa to visit any of our destinations, but sailors from other countries should check with your local consulate for specific visa requirements. If you do not possess a valid visa for one of our destinations you will not be allowed to embark.

Please note that it is your responsibility to present the necessary documentation before departure. Failure to provide proper and valid documentation will result in being denied boarding, and no refund will be provided.

Register Online With Virgin Voyages

Please take time now to register online with Virgin using the Virgin Voyages App, available in the Apple or Android app store.

If you haven't already received it, you will receive a booking number and confirmation directly from Atlantis Events by email with details on how to register online.

Please note that each room has only one Virgin Booking Number assigned. If your roommate or partner didn't receive their email, please know that they may use the same booking number for registration.

If you have any questions or issues with accessing your booking, please call Virgin directly on +1 954 488 2955. However, and this is very important, if their call center is unable to assist you because "This is a charter sailing" or similar statement, please try to get the agent's name and call our team on +1 310-859-8800.

Review Your Flight Plans

If you're flying into Venice, allow enough time to arrive at the pier by 3:30 pm as check-in closes at 4 pm.

On disembarkation day, flights from Barcelona should not be booked before noon.

Book Shore Things

We are going to some extraordinary destinations on this voyage and the best way to experience them is with a plan to explore.

Atlantis has worked closely with Virgin to enhance and develop Shore Things (excursions & tours) to truly make the best of these amazing places.

You can book Shore Things and view their details, duration, and prices on the Virgin Voyages App by visiting the Discover tab or visiting the Shore Things desk on deck 7 once onboard.

Before You Go

Packing Advice

Atlantis emphasizes a casual, comfortable atmosphere with no specified dress code. Sportswear and casual resort attire are always appropriate. There are no formal nights on board.

We only request that you do not wear gym-like tank tops or gym shorts, super-revealing party outfits, and similar at dinner time.

Plan for hot weather with slightly cooler breezes at night. We recommend loose, comfortable cotton and other lightweight clothing. Don't forget a hat!

Please bring lightweight clothing that covers your shoulders and knees for visiting the Vatican and other churches in Rome. Long pants are a safe bet, but longer shorts, skirts, or a light shoulder cover work too - stylish, respectful, and you'll also look a lot less like a clueless tourist!

Except for the above notes, our ports are very relaxed and have no dress codes. We suggest casual resort wear and some comfortable shoes. Daytime at sea is time for swimwear and flip-flops.

Bring lots of sunblock.

Currency Advice

The entire ship operates on U.S. Dollars. The current rates of exchange (as of June 17) for our port cities are as follows:

Euro: \$1 USD ≈ €0.87

If you use a credit card, always select the "local currency" option to get the best exchange rate from your bank.

Prohibited Items

Please do not bring any of the following onboard: irons (including travel steamers), alcoholic beverages, knives, firearms, power strips, extension cords, or other potentially dangerous items.

If your luggage contains any of the above items, your bag will be held at security and not delivered to your stateroom. Full details on prohibited items can be found on the Virgin Voyages website.

<https://www.virginvoyages.com/safety-security/prohibited-items>

Weather Forecast

The summer weather throughout the voyage is generally hot. High temperatures are usually around 80 °F / 26 °C, with lows around 70 °F / 20 °C. It may feel cooler onboard the ship due to wind. In some ports expect higher temperatures, up to 93°F/ 33°C. Or more!

Before You Go

Our Party Themes

Our theme parties are legendary, and dressing up is part of the show but, of course, always optional. All parties will be outdoors on deck except Neon Playground, which will be in the magical Red Room! (Subject to weather, of course.)

Dog Tag T-Dance - The troops come home for Atlantis' longest-running signature afternoon party. Show your creative strength at our first big outdoor party inspired by the joys of men in (small) uniforms. We'll provide dog tags; you do the rest.

Get Sporty - Suit up, show off, and get unapologetically sporty tonight when athletic attitude meets full-on fabulous. Think locker room fantasy, varsity realness, and stadium icons with crop tops, short shorts, cheer captain glam, and those uniforms that leave very little to the imagination.

Duty Free - No borders. No limits. No VAT. Celebrate what happens when over 40 nations gather together at sea for an Atlantis global celebration of friends, freedom, and style. Show off where you're from with some national colors, outfits, flags, or whatever you find in Duty Free on the way over!

Glamiators - The empire never looked this good. Step into our arena where a great look will slay and body armor is just for show. It's our mashup of classical Roman toga-chic and shiny accessories right off the runway. Get ready for a night of ancient fantasy and modern excess. Or come as a spectator/judge and enjoy the show!

Seriously Pink T-Dance - You can't escape it, so let yourself get swept up in a world of pink silliness! What started with a little Barbie fun has changed us all! Let your imagination run wild and play out your favorite pink look for a hot afternoon of frivolous dolled up fun.

Splash T-Dance - Get ready get WET at the most playful party we've ever created. There's nothing to this one except water. Lots of it. Leave your phone and anything precious at home and let's get soaked together in the summer heat.

Neon Playground - Fast, flashy, bright, and joyful! We're turning the Red Room into a musical playground bathed in laser light and filled with bouncy sounds to make you smile. Neon, sparkles, and lights are the way to go, and don't take yourselves too seriously!

Revival! Classic Disco T-Dance - Disco lives on as we take you back to the glory days of the 70s with an afternoon of pure musical magic on the dance floor. Artificial fabrics, excess facial hair, oversized shoes, and other obnoxious accessories welcome!

Summer White - Let your imagination run wild at Atlantis' pinnacle party. Sizzle in the moment, dress up or down in one simple color that everyone looks good in. Be as creative as your dreams, as sexy as your desires, as irreverent as your laughs, or keep it simple with your favorite white shorts. All are welcome here for the perfect night under the stars.

Before You Go

Beverage Packages & Bar Tabs

Virgin has something far better than the other cruise lines' beverage packages with their Bar Tab program. Purchasing a pre-paid Bar Tab can save you a lot by buying it before sailing in the *Virgin Voyages App*. You'll get a credit beyond the cost of your payment.

Their Bar Tab option is a fabulous deal; we highly recommend it before you set sail as Bar Tabs will not be available onboard.

See the App for details on how much you can save, but do it before we set sail as they cannot be purchased onboard!

Embarkation Day

Getting to The Port of Trieste

Scarlet Lady will sail from:

Trieste Cruise Terminal / Stazione Marittima

Molo dei Bersaglieri, 3

34123 Trieste, Italy

Trieste is approximately 2 hours from Venice. Trains from Venice to Trieste Centrale take about 1.5-2 hours and start around €10-€20 / US\$12-\$18, plus a short taxi or walk to the terminal. Private transfers from Venice or Venice Airport typically take about 2 hours and can range from about US\$200-\$450 + per vehicle, depending on pickup location and group size.

From Trieste Airport, trains to Trieste Centrale take about 30-40 minutes and cost roughly €3-€17. Taxis, private transfers, or cruise-line transfers are recommended for guests with luggage.

Important Check-In Information

Embarkation starts at 1:30 pm, and the pier is NOT open earlier. If you show up before that time, you will be standing in line outside in very hot sun. There is very limited space at this pier and literally no waiting area.

When you register with Virgin, you are assigned a designated arrival time. To ensure a great experience for all, we ask that you adhere to your assigned arrival time. Sailors arriving earlier or later than their assigned times will be asked to wait until the guests with the correct appointments have been embarked.

All guests must go through immigration prior to boarding, and we expect a significant wait for immigration to process all our guests - it could be up to an hour after we check you in.

There's plenty of time to check in, and check-in is open until 4 pm. If you have not been able to register yet or receive a check-in time, we ask that you arrive after 3 pm.

Thank you in advance for your cooperation and participation in making everyone's check-in smooth and seamless.

What Do I Need to Check-In?

You need a valid passport to travel and a credit card to check in. You must bring your physical travel documents with you, even if they've already been uploaded in the app.

You will then be issued a wearable bracelet, which will serve as your room key and identification card for all things onboard!

If you register correctly through the app, this will only take a minute or two!

Embarkation Day

Alcoholic Beverages and Other Restrictions

Guests are allowed to bring two (2) 750mL bottles of wine per room in their carry-on bags. No beer or hard liquor may be brought onboard for consumption.

Any alcohol placed in checked baggage or carried on will be removed and held for you until the end of your voyage. Alcohol purchased onboard or in port will be held in secure storage and delivered to your stateroom on the last night of the cruise.

Lost Luggage Assistance

If your luggage does not arrive with you, please do all of the following:

1. Get a complete report from the airline, including your luggage's original bag receipt and tracking number. Make sure that you tell the airline that you are boarding *Virgin Scarlet Lady*.
2. Upon arrival on the ship, go immediately to Sailor Services, where they will make a copy of your lost baggage report. The ship will attempt to track your luggage and follow up directly with the airlines.
3. Be patient. Depending on the airline, it might arrive prior to sailing. Our port agents will attempt to deliver any lost luggage directly to your room in concert with the ship. If your luggage does not arrive, they will keep you informed with the latest news from your airline.

Please understand that neither Virgin Voyages nor Atlantis has lost your luggage. We can only assist you in recovering your luggage from the airline and in communicating with them. Ultimately, the airline is responsible for any loss or inconvenience you encounter. However, in our experience, most bags turn up in the first 48 hours.

The Atlantis Experience

Atlantis Daily Program

A printed copy of the day's schedule, called "Glance At The Day" is also available in the following areas: Sailor Services on Deck 5, the Chart House on Deck 7, the Grounds Club on Deck 7 and Grounds Club Too on Deck 15.

Team & Information Desk

Our office and Team Atlantis staff will be on hand throughout your trip to host and assist with every aspect of your vacation. Please don't hesitate to ask any of us if you have a question or require assistance. We are available 24 hours a day and always wear Atlantis name badges.

We also offer a general information desk on Deck 5, adjacent to Sailor Services. Hours vary and are posted at the desk and in the app.

Atlantis staff can be reached through Sailor Services at any time.

We host several special events for our single guests, ranging from cocktail parties to special dinners. Please see the app for information on specific events.

The Atlantis Experience

No Solicitation Policy

Atlantis does not allow our guests to solicit other guests for any service or business while onboard our cruises. Please respect our other guests' right to enjoy themselves in an advertising-free environment.

Any guest that violates this policy by distributing materials, voice mails, or other unapproved communication of any type to our guests will be subject to a USD \$2,500 fine applied directly to their onboard account. Thank you for your understanding.

Social Media Policy

While we want everyone to have fun, there are limits and so we ask that you be respectful of all guests and our cruise partners. Please do not post anything explicitly sexual on social media in a public forum or space. Any guest who posts any explicit and publicly visible photo or video will be asked to leave the ship with no refund. Thank you for understanding and keeping Atlantis friendly!

Atlantis Roommate Share Program

If you are participating in our Roommate Share Program, you have been assigned a roommate based on smoking preferences. Your roommate's name may appear on your confirmation but is subject to change. This program is offered as a convenience and service for our single travelers and, as such, no roommate changes are permitted for any reason whatsoever.

Show Reservations - Please Read!

Once you embark, booking for all shows and entertainment events will be available in the Virgin Voyages App. Reservations are recommended but not required for all Manor and Red Room shows. Most of our entertainers perform three times during your voyage, so there's ample opportunity to see anything you want!

We have added substantial seating in both the Red Room and the Manor, exceeding the limits of the app's booking capacity. THEREFORE, remember the Golden Show Rule: Sold out only means no more reservations are available. We will still likely have space for walk-ins at every show in both venues when the app says "sold out."

In fairness to all sailors, we will release all open seats to standby sailors 10 minutes prior to all showtime. If you have a booking, please arrive no later than 10 minutes before showtime.

Rockstar Suite sailors do not have to book shows in advance - we hold space for you up until 10 minutes before showtime.

If you have questions, please ask any Atlantis or Virgin Team member.

Dining Information

Essential Information on Dining and Seating

All restaurants onboard *Scarlet Lady* are included in your cruise fare and are truly fabulous! Unlike a standard sailing, no bookings are necessary, and you can walk-in to any restaurant, allowing you maximum flexibility.

When you come to our restaurants, Virgin and Atlantis staff will offer you the opportunity to join our other guests and share a meal. We encourage joining as it's the best way to meet people, but you're always welcome to dine on your own.

Please be patient during peak hours as there may be a slight wait. We highly recommend watching the first show (usually 7:30 pm) and dining comfortably afterwards, around 8:30 pm.

There is no "main" restaurant and no buffet on Virgin, although the Galley has more options than most buffets! There are also no extra charges for dining in any of the restaurants, however a few luxury upgrades have an additional charge.

Finally, if you're a solo traveler, don't fear! We have you covered in every venue, every night. Just see one of our hosts and they will seat you with new friends. The Galley is great, but better to join the fun at one of our fabulous restaurants!

Special Diets

All dietary restrictions and allergies should be communicated directly to Virgin in advance of our sailing and can also be input in the Virgin Voyages App. As an abundance of caution, we also ask that you communicate any special dietary requests, including allergies, to the Maitre D at the entrance to any of our restaurants.

Vegetarian and vegan options are available everywhere - especially in Razzle Dazzle - and need no advance notification.

Ship Eats

Ship Eats, Virgin's room service option, is available 24 hours a day for a small service charge. See the menu on the app for a complete selection and ordering instructions. There is a small additional charge for some items.

Please recognize that the staff handling room service has limited capabilities. If you're looking for a quick snack, we recommend The Galley, which is almost always open, and also featured boxed grab-and-go items.

Sustainability Notes

Virgin operates in an environment with no single-use plastics. Water is readily available throughout the ship at complimentary filter stations. If you have a favorite vessel for water, you might want to bring it along or buy a smart Virgin one onboard.

The Restaurants

Lucky Lotus by Razzle Dazzle

Each evening, the space transforms into a cozy and vibrant setting that pairs Chinese-inspired flavors with a more intimate and relaxed atmosphere. Also features a fabulous brunch menu!

The Wake

Our sexy and sophisticated grill specializing in seafood and steak in a slick, posh setting. It's open for a delicious brunch every day and fabulous dinners.

Pink Agave

Modern Mexican creations in a lively setting featuring a massive Mescal bar and vibrant colors. Perfect for sharing and tasting.

Extra Virgin

Classic rustic Italian with a Virgin twist. Enjoy hand-made pasta, simple and fresh starters, and authentic regional specialties in a sophisticated but relaxed setting.

Test Kitchen

Creative tasting menus in a vibrant, ultra-modern setting designed to showcase the flavors of the moment. Super-interactive.

Gunbae

The only Korean BBQ joint at sea will have you drinking, singing, and eating authentic food in the liveliest setting on the ship. Choices abound, and it's essential to share them with friends, old and new.

The Galley

When you want something quick, our collection of food truck-like stands offers everything from burgers to ramen, salads to tacos, and plenty in between. They are open almost all day (and night) and provide grab-and-go options as well.

And More...

Casual options abound, starting with Mediterranean tapas in the Dock and Dockhouse or grab a coffee and pastry in the Grounds Club, and definitely don't miss the incredible late-night pizza at Pizza Place!

What's Included?

All meals at all restaurants are included. The exceptions are a few optional luxury specialty items. Drip coffee, tea, filtered water, soft drinks, and most juices are also included. Specialty coffees & alcoholic beverages are available at our bars and restaurants for an additional charge.

We suggest dining in a variety of venues and enjoying your meal with friends, both old and new. It's the easiest way to connect.

Onboard Scarlet Lady

Room Features

Rooms on *Scarlet Lady* are incredibly comfortable and modern. The ship has both 110 (US standard) and 220 (European) voltage power outlets as well as USB-A charging ports in the rooms. All the water onboard is filtered and potable.

Additional amenities include an interactive TV & tablet and 24-hour room service.

The bed configuration on Virgin is unique in that your room can be configured both as a standard bedroom or a more lounge-like setting with a comfortable couch or daybed. Your stateroom attendant can change your configuration (and back) easily on demand.

Note that if the beds are separated, they will be in an "L" formation, not side by side. If you're in our room-share program, you might want to discuss how to sleep!

Finally, Virgin offers one cleaning service each day for your stateroom. Your stateroom attendant will meet with you to set a time to clean the room once you embark. Suites will have two services per day.

Laundry & Dry Cleaning Services

Laundry, dry cleaning, spot removal, and pressing services are available for an additional fee. Laundry bags and service request forms are in your room. Ask your cabin steward for details.

There are no irons in staterooms as they constitute a fire hazard.

There are also no self-service laundry facilities onboard.

Personal Funds & Shipboard Charges

The currency onboard is U.S. Dollars. Virgin operates on a cashless system. You can validate your Virgin wearable with your Visa, MasterCard, Diner's Club, or American Express card or settle your account by cash. Guests can then sign all onboard services and purchases to their account. At the end of the cruise, you will receive a wholly itemized statement by email or in the App.

For your convenience, the ship has an onboard ATM that dispenses U.S. currency. Bank debit cards on the PLUS and CIRRUS networks are accepted along with the following credit cards: American Express, Discover/Novus, MasterCard, and VISA. Fees will be charged per transaction.

Service Charges and Tipping

Virgin Voyages operates under a no-tipping policy, meaning no tipping is required or expected at any time. No additional tipping to service personnel is needed, but may be extended at your discretion if the service is exceptional.

Customs & Immigration at Sea

Upon embarkation, customs and immigration officials will inspect our guests and the ship. This usually occurs without your knowledge or participation. Occasionally, passengers are called for inspection. Please follow the instructions in these cases to ensure we can disembark on time at each port.

While we shouldn't have to say this, illegal substances, weapons, hazardous materials, or other restricted items are strictly prohibited. Any guest found with illegal substances will be removed from the ship at the next port of call and turned over to local authorities.

Atlantis and Virgin both have a zero-tolerance policy for all illegal substances.

Sailor Conduct Policy

All our guests are bound by Virgin Voyages' Sailor Conduct Policy. The policy is intended to help ensure all guests can participate in a safe and enjoyable cruise experience. It sets forth standards of conduct for guests to follow throughout their vacation. Please take a minute to read this policy on the Virgin Voyages website:

Smoking & Vaping Policy

For the comfort of all of our guests, all indoor areas on the ship are non-smoking except the smoking lounge on Deck 6, Forward. Smoking and vaping are permitted only in certain areas on open decks.

As a courtesy to our guests, ship personnel will thoroughly enforce the smoking policy.

Smoking or vaping is not allowed on stateroom balconies at any time.

Please note that Atlantis and/or Virgin reserves the right to change the smoking policy at any time depending on guest requirements. A complete detail of the smoking areas onboard can be found on the *Virgin Voyages App*.

If You Have a Problem or Question

Both the Sailor Services and the Atlantis Information Desk can handle most difficulties you may encounter. Generally, issues relating to your stateroom, the ship, schedules, or billing should be directed to Sailor Services. Questions regarding entertainment, service, Atlantis policies, special requests, or anything else should be directed to the Atlantis Desk.

If the Atlantis Desk is unattended, please feel free to ask any Team Atlantis member, and we will happily assist you.

Spa and Fitness Center

Scarlet Lady features a stunningly beautiful spa offering a fantastic range of services, including massage, facials, aromatherapy, hair styling, and much more. Take a look on Deck 5 - you'll be amazed as it doesn't look like anything else at sea!

Virgin Voyages' ships feature the most extensive fitness centers at sea, with instructor-led fitness classes available for booking via the Virgin Voyages App.

VAT Information

Since our entire cruise is within the EU, VAT be added to all merchandise purchases, including spa products. Virgin will provide the paperwork for VAT refunds, which can be claimed as you exit the EU.

Please see the retail shops or Sailor Services team if you have any questions.

Stateroom Safe

All staterooms and suites are equipped with a personal safe. We recommend that you not leave valuables, jewelry, or money unsecured in your stateroom. Although every effort is made to safeguard staterooms, Virgin Voyages will not accept any responsibility for the loss or damage of any valuables left unsecured.

If you are participating in the roommate share program, please discuss the use of your safe with your roommate. No additional safes can be provided.

StarLink Internet Access

Virgin Voyages provides basic complimentary internet to all guests onboard. Faster premium internet upgrades are available in advance on the app and onboard for an additional charge.

Cell Phone Access Onboard

Scarlet Lady is equipped to allow your mobile phone to work onboard. Please note that roaming charges apply and will be billed directly by your home carrier. Rates vary by carrier but can be considerably cheaper than using satellite phones. Check with your carrier before sailing for specific rates.

We recommend turning all mobile broadband devices to "Airplane Mode" while onboard to avoid any excessive charges.

This access only works while at sea. When in port, the local land operator's roaming charges will apply.

Medical Services

If you require medical attention while on board, the ship's infirmary staff can assist you 24 hours a day. A doctor is available to render services at a customary charge. The infirmary can provide treatment for minor matters that may arise during your cruise and can assess and stabilize most medical emergencies. Should you require treatment for a serious condition requiring hospitalization, arrangements may be made to transfer you to a medical facility ashore.

While at sea, the ability to transfer you to a shore side facility maybe limited or delayed by weather or logistical considerations. If you are currently suffering from a serious medical condition, please consult your physician before sailing.

Virgin's doctors are independent contractors and payment is required at time of service. Again, we highly recommend travel insurance to protect from unexpected expenses. Your own medical insurance might also cover claims and the ship's infirmary will provide correct documentation for you to submit.

Important Health Notice - Please Read!

Should you come down with a contagious disease or even suspect an infectious disease, you must report it to the ship's infirmary for the safety of everyone on board. If you are on any medication or want the medical staff to be aware of any special needs, please get in touch with the infirmary. This will ensure that they will be prepared should you need assistance. In rare instances, the ship's medical staff may determine that your medical condition will require you to be quarantined in your stateroom to protect the health of our other guests.

While both Virgin and Atlantis will make every effort to make you comfortable in such a situation, we are unable to compensate lost vacation time due to quarantine. Please note that the ship follows C.D.C. guidelines on all quarantine issues, and there is little flexibility in applying the rules, mainly where gastrointestinal symptoms are present.

As always, we highly recommend travel insurance to assist with unforeseen costs and reimbursement for missed vacation time due to illness. If you do not have travel insurance, it can be purchased virtually right up to departure time. Please note that this includes COVID-related quarantines, and no credit or refund is issued for any lost time. This is why we strongly recommend Travel Insurance!

Pre and Post-Cruise

Transfers in Barcelona

Virgin offers transfers from both Venice and Trieste Airport as well as Venice Tronchetto to the port of Trieste. We strongly suggest using the Virgin transfers as they guarantee you get to the port on time and ultimately are cheaper than most alternatives. You can book these in the Virgin Voyages App.

Transfers in Barcelona

Virgin offers transfers from the Port of Barcelona to Barcelona-El Prat Airport; the Virgin Voyages App or at the Shore Things desk.

Taxis are readily available outside the cruise terminals and are the easiest option for most guests traveling to the airport or into the city. Official Barcelona taxis are black and yellow. The fixed taxi fare between the Moll Adossat cruise terminals and Barcelona-El Prat Airport is €46, including surcharges.

Travel time to the airport is usually about 20 to 30 minutes, depending on traffic. If you have a lot of luggage, an early flight, or prefer a smoother departure, we recommend booking a transfer in advance or using an official taxi at the terminal. Please plan ahead and allow extra time during peak disembarkation.

Special Dinner in Barcelona

Atlantis is offering a unique and very special private dinner at one of Barcelona's top 2 Michelin Star restaurants, Cinc Sentits, on July 24th. Chef Jordi Artal is a great friend of Atlantis and will be creating a magical and uniquely Catalan experience for all of us.

Details will be sent out just before sailing, with bookings limited to the first 30 guests.

Our Atlantis team is made up of our full-time employees and part-time talent working together to create an exciting cruise experience for you.
